Don't become a victim of identity theft:

Identity theft is a serious crime. It occurs when your personal information is stolen and used without your knowledge to commit fraud or other crimes. Identity theft can cost you time and money. It can destroy your credit and ruin your good name. There are several ways to deter identity thieves by safeguarding your information.

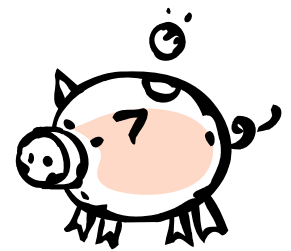

- ◇ Shred financial documents and paperwork with personal information.

- ◇ Do not give out personal information over the phone. Remember UARK Federal Credit Union will never call you and ask you to confirm personal information.
- ◇ Never click on links sent in unsolicited emails. Be cautious of Facebook and other networking sites.
- ◇ Do not use an obvious password like your birth date or the last four digits of your Social Security number.
- ◇ Keep your personal information in a secure place.

Get your kids involved in the savings game!

Children are never too young to start learning the important habit of saving. Now is the perfect time to get them started. April 19-23rd is National Youth Week at credit union's all across the nation. To help get your children (infant-18yrs) to start saving, we will donate the \$5 minimum deposit* required to establish membership. We will also hold a drawing for a \$50 gift card to Toys-R-Us or a \$50 deposit into a savings account. There are two ways to enter: just open an account with your child or fill out the form below and mail it in. We hope to see you and your children during Youth Week!

*The account must remain open for one year. If you close the account before one year, the \$5 deposit will be revoked.
