Youth Week: A HUGE SUCCESS

We would like to thank all of the parents who chose UARK to start their children's savings. UARK held three drawings for our new and existing youth members. Congratulations to our winners: Rachel from Fayetteville won an IPOD touch, Erin from Little Rock won a cash deposit of \$50, and Ethan from Fayetteville won a \$50 gift card to Toys-R-US. We look forward to serving all of our young members as they save for their futures!

Traveling With Your Visa Check Card?

In order to aid in the fight against fraud and card theft, UARK has partnered with Falcon Fraud Management Systems. In the event that your VISA check card is used outside of your area of residence, Falcon may temporarily freeze your account until they can verify that you are the one using the card. To avoid disruptions with service, please let us know if you intend to travel outside of the state.

Shred Day: A Huge Success

Consumer fraud and identity theft are becoming an epidemic in our communities. To raise awareness and to promote prevention, on May 13, 2011, UARK teamed up with Shred-It to offer paper shredding services free for members. All members enjoyed lunch and watched their confidential information destroyed. Thank you to Shred-It for allowing our members a safe alternative for destroying documents.
